Introducing Huron Township Historical Day

The final plans are being made for the first annual Huron Township Historical Day scheduled for Saturday, September 12, 1998.

This day, the second Saturday in September, has been set aside as a special day where the Historical Society, the Historical Commission and a host of volunteers can promote the history of our township.

The day will start on the busy intersections of our township, with volunteers distributing the first edition of the "Ye Olde Village News" in exchange for donations. The money raised by the volunteers will be used to promote the history of our township as well as assist in the reclamation of our historical house.

During the day the Historical House and the Applefest Building will be available for socializing, oral history and food and drink. Many citizens are expected to dress up in historical clothing and promote the day. Historical Day organizer Larry O'Kelley says dressing up in historical clothing need not be a difficult task. "All Ye need to do is use a little imagination and some ribbon."

O'Kelley expects the Historical House will be hopping from 1 p.m. to 4 p.m. when the community is invited to bring an artifact and a lawnchair and get involved in a little unorganized "Show and Tell." He is also looking for volunteer musicians to bring string instruments to "Pick and grin."

If you are interested in helping please call The Huron River Weekly at 753-4416 and, of course, be generous with your support.

(L-R) Norell Jack McBain, Post Commander; Lou Gibbs, Vice Commander; David Glaab, Huron Township Supervisor; and John Haapapuro, Quartermaster.

American Flag Presented To Township

Members of the VFW Post 6040 presented a new United States Flag to David Glaab, Supervisor of Huron Township to fly above the township hall.

Supervisor Glaab expressed his thanks for the flag as well as the dedicated service of our veterans. Mr. Glaab added that he has plans to erect a new large, illumi-

nated flag pole at the township hall citing that our nation's symbol of freedom deserves a more appropriate display at the township.

Advanced Life Support Introduced

by **LARRY O'KELLEY**
Freelance Writer

At the August 26th township board meeting Fire Chief Russow advised the board that

effective September 1, 1998 the Advanced Specialist Program, a.k.a. Advanced Life Support would be part of the township's rescue service.

He praised the efforts of

Mark Kenosian a resident who spearheaded the efforts to get the State of Michigan to change the law in this area. He also introduced Mark to the board and Mark took the opportunity to explain the new program.

Mark began his remarks by reminding the board of our history in the rescue business. He indicated that our first ambulance was a 1976 Ford Econoline that was modified by volunteers in the community

to serve as an emergency vehicle. Now, the community has three units and for the last 22 years we have offered basic life support "BLS" in accordance with the license that we were allowed to have.

He advised that in recent years some people on an individual basis had secured a license for advanced life support but were unable to use their skills once they entered Huron Township. This was

Letter to the Editor

Robbed!

Don't Let It Happen To You

To The Editor:

We recently took a camping trip with my place of employment. My wife left her personal items in a pouch, which she usually takes with her on our trips. We were not far from home so she decided to go home and get her pouch. She got home to find out that we had been broken into. Can anyone please tell me why folks that have decided to rob houses have to trash the place they are robbing? Could it be that they didn't find anything except change? Or do they feel making you feel as though you have been raped, give them a thrill. Can you believe it, they even got in the freezer and ate up all our freeze-pops. We were very lucky that they were scared off. The things that we lost were not of monetary value, they were more senti-

mental and can never be replaced 'cause they came from loved ones that have passed away. These people left prints all over the place and the police assure us that it is just a matter of time before they are picked up. Just a side note to this. Light your home when you are gone, and tell your police department that you will be gone and for how long, maybe they can increase their patrols in your area. And never, and I mean never, load your camper or car in the front yard. This is a sure sign you're leaving and gives the drive-by crook the go-ahead to drop by when you're gone. As for us ... well, we now have an alarm bill, and new roses under all of our windows.

Life Support

Continued from Psge 1

because the State of Michigan had an archaic view that a part-time volunteer service did not need advanced life support training.

This attitude was reflected in the state's position that in order to have this advanced capability the community must offer a 24 hour seven days a week - 100-percent of the time service. Since this was beyond the capability of our community as well as others, we were not allowed to administer advance life support.

He added that with the help of State Senator Bennett, Flat Rock Fire Department Kathy

Bone, Woodhaven Fire Department Jan Sikes and the News Herald Newspapers, they were able to get the law changed.

The new law, that was practically passed unanimously, provides for a two-year period where the community must train 100-percent of their staff

in advanced life support and must all be licensed within that period. The community will be allowed another two-year extension to meet the 100-percent requirement. If at the end of the four-year period and the requirement is not met - the community will revert back to the basic support system.

Emu For Dinner

This Emu is not the college, but is an education for your taste buds, nonetheless! Here's your chance for a unique dining experience. If you're not familiar with the emu, it is a large, non-flying Australian bird, somewhat smaller than an ostrich, but growing to five feet tall. Having "outgrown" their welcome, a couple of these birds at Apple Charlie's have invited us to dinner!

We will host the barbecued emu dinner at Apple Charlie's Orchard on Sunday, September 20, from 1 p.m. to 5 p.m. The cost is \$8 per person, and includes side dishes,

I really hope that you have enjoyed my recipes for the grill. This was to be my last week of grilling, but I have one more special recipe to share with you, so look for it in next week's issue. This week I would like to

talk about lamb chops. Most of the time we only eat lamb when we go to Greektown, and they prepare it very well, but it is easy to make at home. Lamb is a lean red meat and very hearty so a couple of

chops are all you need. You may find a little fat on the one side, but it is not marbled like beef. I personally prefer the loin chops, they have a lot of meat on them and they are very tender. Just serve it with

4 REASONS WHY YOUR CARPET WILL SHINE

When You Use

Hildebrand Carpet & Upholstery Cleaning

1. **Thorough Cleaning** - Use the most thorough cleaning method there is. Some cleaning methods use chemicals that leave a residue on your carpet. That doesn't get the dirt out, it just covers it up. My method doesn't leave a residue and is very powerful. It cleans way down to the base so your carpet will look brand new again.
2. **Stays Clean Longer** - Since we clean all the way down to the base of your carpet, your carpet will stay looking clean longer.
3. **I use only certified technicians.** Each technician has been through extensive training on how to properly use our super equipment. If a technician isn't properly trained, your carpet won't get thoroughly cleaned.
4. **100% Money-Back Guarantee.** If you aren't thrilled with your carpet, I'll refund every cent. No questions asked!

Family Picnic Fun

Over 100 supporters joined Brian A. Oakley and his family at a family picnic which was held on Saturday, August 29 at the home of Romulus Councilman LeRoy Burcroff and his wife, Jerilynn. The picnic provided voters with a chance to meet Oakley, who is running for Judge of the 34th District Court, in an informal and fun setting.

Kids of all ages enjoyed swimming, volleyball, horse-shoes, hayrides and lots of hot-dogs, pop and other goodies!

Among the dignitaries in attendance were Judge Henry Zaborowski and Judge Tina Brooks-Green, both of the 34th District Court. Oakley is running for the seat being vacated by the mandatory retirement of Judge Henry Zaborowski.

In Loving Memory

KAREN A. REDDEN — Age 37, of Belleville, died Sunday, August 30, 1998 at Oakwood Hospital Annapolis Center, Wayne.
